

Albanian Fiber Optic Cable Distribution Box Distributor

AI Overview

Key fiber optic cable distributors in Albania include Digicom, Vivo Communications, Neofone, ATU, Electron Albania, and SOS electronic.

Local Distributors and Providers

- Digicom: Offers advanced fiber optic technology for high-speed internet solutions, including 1 Gigabit services for businesses, emphasizing service stability and quality .
- Vivo Communications: Provides fiber optic internet packages for both residential and business customers, ensuring fast and secure connectivity .
- Neofone: Specializes in VOIP and telecommunications services, offering optical fiber packages and IT infrastructure solutions suitable for both homes and enterprises .
- ATU (Albanian Telecommunications Union): Operates a nationwide fiber optic network with over 450 km of installed fiber and more than 7 PoPs in major cities. They provide Direct Internet Access (DIA) services and lease network capacity to other service providers .
- Electron Albania: Supplies fiber accessories, optical splitters, SFP transceivers, and single-mode fiber cables, supporting network deployment and maintenance .

International Distributors

- SOS electronic: Authorized distributor of brands like LAPP and ETTINGER, offering multiple types of fiber optic cables and supporting customers from development to production
