

All Cable Tray Prices

AI Overview

Cable tray prices in India vary by type, material, size, and accessories, typically ranging from ₹16 to ₹30 per piece for coupler plates and higher for full trays.

Price Overview

Cable trays are available in various types such as ladder, perforated, wire mesh, GI (galvanized steel), FRP (fiber-reinforced plastic), and stainless steel . Prices depend on material, height, width, and accessories like coupler plates and hardware. For example, coupler plates for 25/50 mm height trays cost around ₹16 per piece, while 75/100 mm trays cost about ₹30 per piece . Full cable trays are priced higher, with rates varying by supplier and order quantity.

Factors Affecting Price

- Material: Steel and aluminum are common; FRP and stainless steel are more expensive.
- Tray Type: Ladder trays are generally costlier than perforated or wire mesh trays.
- Dimensions: Height, width, and length directly influence cost.
- Accessories: Coupler plates, bends, tees, and supports add to the total price.
- Quantity: Bulk orders often reduce per-unit cost.
- Location and Delivery: Prices may vary by city and supplier; delivery charges are extra .
