

Andorra Composite Cable Tray Manufacturer

AI Overview

Ebo Systems and Øglænd System are leading suppliers of GRP/FRP composite cable trays suitable for projects in Andorra.

Ebo Systems

Ebo Systems specializes in Glass Fiber Reinforced Polyester (GRP) cable trays, offering exceptional resistance to corrosion, extreme temperatures, and heavy loads. Their products are manufactured using continuous pultrusion and hot pressing, ensuring durability for decades even in harsh industrial environments. Ebo Systems is part of the Niedax Group, a global provider of cable management solutions, and has a presence in over 27 countries, making them capable of supplying projects in Andorra. They also provide technical advice, planning, and installation support for complex projects (Ebo Systems) .

Øglænd System

Øglænd System offers a wide range of fiberglass (FRP/GRP) composite cable trays, alongside stainless steel, galvanized, and aluminum options. Their trays are designed for offshore and onshore applications, with various heights, widths, and slot patterns for efficient cable routing. They also provide brackets, fittings, and accessories to ensure stable and compact installations, making them suitable for industrial, energy, and infrastructure projects in Andorra (Øglænd System)
