

Belgian Well Logging Optical Cable Manufacturer Inquiry

AI Overview

Kabelwerk Eupen AG (Eupen Cable) and Norden Communication are leading Belgian suppliers of optical and specialized cables suitable for well logging and industrial applications.

Key Manufacturers and Suppliers

1. Kabelwerk Eupen AG (Eupen Cable) Eupen Cable is a major Belgian manufacturer with over a century of experience in producing a wide range of cables, including fiber optic cables, telecommunications cables, and hybrid solutions. Their products are designed to meet high safety and quality standards, and they offer customized solutions for industrial, infrastructure, and OEM clients. Eupen Cable has supplied radiating cables for underground tunnels and automation systems, demonstrating expertise in challenging environments, which is relevant for well logging applications . 2. Norden Communication Belgium Norden Communication provides certified electrical and optical solutions in Belgium and internationally. They specialize in long-lasting and reliable optical cables, which can be applied in industrial and professional settings, including data transmission and monitoring systems . 3. Belram Belram distributes a broad range of fiber optic cables, connectors, and adapters for professional markets such as telecom, industrial, and medical sectors. While primarily a distributor, they offer high-quality optical cabling and accessories suitable for specialized applications . 4. ELTEC ELTEC supplies cables for industrial projects and can provide custom-cut, labeled, and packaged optical cables. They support international projects and offer technical documentation to ensure compliance with...
