

CFP2 New Product Procurement

Overview

Featuring a 100G Client license with 1x CFP2-WDM2, this product is ideal for enterprise engineers and procurement teams looking to enhance their network infrastructure with robust and reliable technology. Perfect for scenarios requiring high bandwidth and low latency. ONS-CFP2-WDM Cisco CFP2 - new: NetworkTigers offers this new CFP2. The Cisco ONS-CFP2-WDM is a transceiver module from Cisco. The wide variety of modules gives you flexible and cost-effective options for all types of interfaces. Cisco offers a range of GBIC, SFP, XFP, SFP+, CXP, CFP, Cisco CPAK, and QSFP+ pluggable modules. Use the Compatibility Tool to verify FS transceiver compatibility with your device and access test reports. The Generic compatible CFP2 optical transceiver module is designed for use in 100 Gigabit Ethernet links over 10 km of single-mode fiber and complies with the CFP MSA CFP2 Hardware. Nexperia today announced that it is now offering a portfolio of 16 new low V F optimized planar Schottky diodes in CFP2-HP packaging. PMEG6010EXD), as well as eight AEC-Q101 qualified (e. This release supports the growing. Our CFP interconnects are designed as 40 to 100+ Gbps I/O connectors and are engineered for high-performance transfer, including Ethernet, and for applications such as carrier networks, data centers, and wireless equipment. Our latest CFP2 and CFP4 interconnects transmit data 2.
