

Chilean Small Distribution Box

AI Overview

Small distribution boxes in Chile are primarily imported from China, France, and the United States, with local manufacturing and custom solutions also available.

Import and Market Overview

Chile imported 908 shipments of distribution boxes from June 2023 to May 2024, supplied by 3 foreign exporters to 157 Chilean buyers, with China, France, and the United States being the main sources . Imports are typically handled through customs brokers or directly by companies for shipments under certain value thresholds. The market has experienced a -31% growth rate compared to the previous year, indicating a slight contraction in import volumes . Monthly imports, such as 36 shipments in May 2024, show stable demand for small distribution boxes .

Local Manufacturing and Custom Solutions

Several Chilean companies provide custom and small-scale distribution box solutions:

- MINIBOX: Specializes in tailored computing and distribution solutions with a focus on high performance and adaptability to emerging technologies .
- Deandespac: Offers versatile packaging and containers, including small delivery boxes suitable for various applications, with minimum orders as low as one unit .
- Cartones Kraft Ltda.: Provides corrugated cardboard and eco-friendly custom boxes, suitable for logistics and protection of small electronic components . These manufacturers allow businesses to customize size, material, and design, which is particularly useful for specialized electrical or electronic distribution boxes....
