

Corrugated Cable Trays in Central and African Countries

AI Overview

Corrugated and perforated cable trays are widely available across Africa, with manufacturers offering durable, corrosion-resistant solutions for industrial, commercial, and infrastructure projects.

Overview of the African Cable Tray Market

The African cable tray market is experiencing significant growth due to infrastructure development in energy, telecommunications, and industrial sectors. North African countries like Egypt, Algeria, and Morocco have mature markets with established local production, while Sub-Saharan Africa, including South Africa, Nigeria, Kenya, and Ethiopia, is seeing rapid expansion driven by new construction and greenfield projects. The market includes ladder, perforated, and solid-bottom trays, often made from steel, stainless steel, or aluminum, with material choice influenced by environmental conditions and project specifications.

Key Manufacturers and Suppliers

Several manufacturers and suppliers provide cable trays suitable for African conditions:

- Legrand: Offers cable trays, raceways, and wiring accessories for industrial, commercial, and residential sectors.
- El Sewedy Electric (Egypt): Supplies cable trays and electrical enclosures across A...
