

Custom-made Tray Cable Trays Price

AI Overview

Customized cable tray prices vary widely depending on material, size, structure, and supplier, typically ranging from \$20 to \$200 per meter for industrial-grade solutions.

Factors Affecting Price

- **Material:** Stainless steel (SS304/SS316), galvanized steel, aluminum, and fiberglass are common options. Stainless steel trays are more expensive due to durability and corrosion resistance, while aluminum and galvanized steel are moderately priced .
- **Size and Load Capacity:** Larger trays or those designed for heavy-duty applications, such as ladder-type trays, cost more due to higher material usage and structural strength .
- **Structure and Design:** Wire mesh, perforated, ladder, and solid-bottom trays have different manufacturing costs. Wire mesh trays are flexible and easier to install, often slightly cheaper than ladder trays designed for heavy cable loads .
- **Customization:** Tailored lengths, widths, bends, integrated ends, and special coatings (powder-coated, waterproof, or fireproof) increase the price. Custom solutions can be quoted directly by manufacturers .
- **Supplier and Market:** B2B suppliers like Alibaba, ThomasNet, and Apex Tray offer bulk and customized options, while B2C platforms provide smaller, budget-friendly trays for home or office use .

Price Range Examples

- **Wire Mesh Cable Tray:** \$20–\$60 per meter for standard sizes; custom stainless steel or coated versions can reach \$80–\$120 per meter .
- **Ladder Cable Tray:** \$50–\$150 per meter depending on material, width, and load c...
