

Custom-made distribution boxes from manufacturers

AI Overview

Custom-made distribution boxes typically range from \$0.50 to \$5 per unit depending on size, material, printing, and order quantity, with many manufacturers offering low minimums and free design support.

Pricing Overview

The cost of custom distribution boxes varies based on several factors:

- **Material:** Corrugated cardboard, SBS paperboard, Kraft paper, and rigid chipboard are common options, with premium or eco-friendly materials costing more .
- **Size and Style:** Larger boxes or specialized styles like rigid, tuck-end, or mailer boxes increase production costs .
- **Printing and Finishing:** Options such as CMYK or Pantone printing, matte/gloss lamination, foil stamping, embossing, debossing, and spot UV affect pricing .
- **Quantity:** Higher volumes reduce per-unit costs, but many manufacturers offer low minimum order quantities starting from 100 pieces, making them accessible for small businesses .
- **Customization Level:** Fully personalized designs, inserts, sleeves, or magnetic closures can increase costs but enhance brand presentation .
