

Finnish Resources Selling Optical Cable Company

AI Overview

Nestor Cables, Fiber Highway, Valokuitunen, Tietosähkö Oy, and APS Finland are key Finnish companies specializing in fiber optic cable sales and related services.

Nestor Cables

Nestor Cables is a leading Finnish manufacturer and supplier of fiber optic and copper telecommunications cables, as well as industrial and specialty cables. Their product range includes fiber optic cables, accessories, instrumentation cables, and installation materials under the NesCon brand. Nestor Cables has a strong market presence in Finland, Europe, the Baltics, the USA, and the Middle East, employing around 100 people. Their production plant in Oulu delivers 60,000 to 80,000 cable kilometers annually, and they maintain sales operations in Helsinki and Oulu, with representatives in Sweden, Norway, the Balkans, and the USA (Nestor Cables) .

Fiber Highway

Fiber Highway Finland Oy specializes in fiber optic technology for telecommunications, offering services such as cabling, connectivity, and certified testing, particularly for data centers. They provide high-security solutions for international service providers and data center developers, including project management and network design services (Ensun) .
