

High-quality cable trays supplied directly from the source

AI Overview

You can source high-quality cable trays directly from manufacturers like Ekabel24, Shilden, and leading German producers, offering durable, standards-compliant solutions for industrial and commercial projects.

Leading Manufacturers and Suppliers

Ekabel24 offers a wide range of cable trays and ladders made from hot-dip galvanized steel, stainless steel, and halogen-free plastic, all compliant with DIN EN 61537 and international standards. Their systems are suitable for indoor and outdoor use, providing secure, flexible, and ventilated cable routing for power, data, and control cables. Shilden specializes in manufacturing durable cable tray systems from stainless steel, galvanized steel, aluminum, and fiberglass-reinforced plastic (FRP/GRP). They provide ladder trays, perforated trays, wire mesh trays, solid bottom trays, and channel trays, designed for industrial plants, data centers, offshore platforms, and renewable energy projects. Shilden emphasizes corrosion and fire resistance, custom solutions, and easy installation. German Manufacturers: Germany hosts numerous high-quality cable tray producers, including Icotek, Tsubaki Kabelschlepp, Rosenberger-OSI, and TKD KABEL GmbH. These companies are known for precision engineering, adherence to international safety standards, and innovative cable management solutions suitable for diverse industries. Trayco (Belgium) produces and optimizes cable trays, mesh trays, and ladders, offering tailored advice and customized solutions for installation projects. They focus on both production quality and project consultancy
