

How much do Zambian electrical distribution boxes cost

AI Overview

Electrical distribution boxes in Zambia are reasonably priced, typically ranging from ZMK 800 to ZMK 1,500 depending on size and features.

Pricing Overview

In Zambia, a standard distribution board (DB) with breakers costs approximately ZMK 800–1,500 for residential installations, making them affordable for most homeowners and small businesses. When combined with other electrical materials such as cables, switches, sockets, and conduit, the total cost for a complete home electrical setup ranges from ZMK 5,000 to ZMK 10,000, including professional installation. Individual components like cables can cost ZMK 1,200–2,000, while switches and sockets range from ZMK 500–1,000.

Supplier Options

Several suppliers in Zambia offer competitive pricing for electrical distribution boxes:

- Zambia Express provides a wide selection of electrical boxes at competitive prices, with frequent promotions and new arrivals.
- Agybel Industrial Solutions supplies high-quality electrical components, including DB boards and circuit breakers, with reliable delivery and competitive pricing for both residential and industrial clients.
- Lightcon Zambia offers precision-engineered electrical components, ensuring dur...
