

Huijue Technology Optical Cable Product Introduction

AI Overview

Huijue Optical Cable products are high-quality fiber optic solutions designed for telecom, data center, and 5G network applications, offering durability, low insertion loss, and compliance with international standards.

Company Overview

Shanghai Huijue Network Communication Equipment Co., Ltd., established in 2001, is a leading manufacturer and solution provider for telecom and communication products. The company specializes in intelligent network communication equipment and offers a full range of optical distribution network (ODN) products, including optical splitters, patch cords, MPO cables, distribution cabinets, splice closures, and fiber distribution boxes . Huijue operates dual production bases in Shanghai and Jiangsu, supporting rapid delivery and full-cycle technical support .

Product Range

Huijue's optical cable products include:

- **Fiber Optic Patch Cords:** Available in single-mode and multi-mode (OM1, OM2, OM3, OM4, OM5, OS2), these cords feature low insertion loss, high return loss, and excellent interchangeability. They are designed to withstand harsh environments, including extreme temperatures, dampness, vibration, and high pull tension .
- **MPO High-Density Fiber Patch Cords:** Convert one MPO multi-fiber connector into...
