

Italian New Cable Tray Company

AI Overview

Spina Group, SATI Italia, SITIE, FEMI-CZ, and Zamet are among the leading Italian cable tray manufacturers offering high-quality, customizable solutions for industrial and infrastructure projects.

Leading Manufacturers

Spina Group is a market leader in electrical and instrumentation cable trays, providing durable, corrosion-resistant solutions suitable for industrial plants, energy facilities, and infrastructure projects. Their products are designed for easy installation and adaptability, supporting complex wiring systems and high-load applications (WebPages). SATI Italia S.p.A. specializes in robust and flexible cable carrier systems for energy, construction, and automation sectors. Their modular systems allow customization, ensuring compliance with international safety and quality standards, and are lightweight yet durable for long-term performance (WebPages). SITIE Impianti Industriali, established in 1945, offers perforated trays, solid-bottom trays, and custom designs for industrial use. Their products are engineered for easy maintenance and maximum load capacity, making them ideal for heavy-duty applications in harsh environments (WebPages). FEMI-CZ provides customized metallic cable tray solutions for large plants and standard products for industrial and civil installations. They manufacture solid-bottom, ladder, and mesh trays in various materials and structural dimensions, emphasizing productivity, flexibility, and corrosion resistance. FEMI-CZ also collaborates with EBO SYSTEMS for GRP (fiberglass) products marketed exclusively in Italy (WebPages). Zamet SPA offers fully customizable cable tray systems, including ladder trays, wire mesh trays, and solid-bottom trays. Their solutions focus on flexibility, high load capacity, and corros...
