

Jumper wire single-mode pigtail manufacturer

Overview

Mouser offers inventory, pricing, & datasheets for 1 Position Jumper Wires. XGLO fiber optic cable assemblies are ideal for supporting duplex and simplex fiber applications over extended distances and next-generation backbones. With standard fiber optic connectors at one end and color-coded strands at the other, they can be easily cut and spliced, and multiple strands can be connected in a small space using. Jumper Wires or Pre-Crimped Leads are single conductor devices with the same or different contact ends. The wire leads measure in length from 2. 0" with wire gauges of 8 AWG to 32 AWG and wire colors of black, blue, brown, gray, green, green-yellow, orange, red, slate, violet, white, and. Leviton fiber optic pigtail kits are a good solution for mechanical or fusion splicing applications. Our premium pigtails offer low insertion loss and custom length options. We stock a large variety of standard jumpers ready for same day shipment, and we supply a wide range of custom fiber assemblies.
