

Latest Price Standards for Cable Tray Manufacturers

AI Overview

Cable tray prices vary widely depending on type, material, and purchase volume, ranging from under \$1 per meter for bulk B2B orders to \$15-\$34 for consumer-grade trays.

Price Overview

- **B2B Industrial/Commercial Orders:** Prices for bulk purchases from manufacturers like Atkore, Schneider Electric, Eaton, and Legrand typically range from \$0.80 to over \$76 per meter, depending on material (stainless steel, aluminum, FRP), type (ladder, perforated, wire mesh), and load capacity . Bulk orders often offer higher ROI due to volume discounts and professional-grade durability .
- **B2C Consumer Products:** For home or small office use, cable trays sold on platforms like Amazon are priced between \$15 and \$34, with some wholesale options as low as \$0.92 per unit. These are generally designed for under-desk wire management and easy installation .

Material and Type Considerations

- **Stainless Steel (SS 304):** Durable, fire-resistant, suitable for industrial and outdoor applications .
- **Aluminum:** Lightweight, corrosion-resistant, ideal for commercial installations .
- **FRP (Fiberglass Reinforced Plastic):** Non-conductive, fireproof, and cost-effective for specialized environments
