

MPO jumper manufacturer with good service

Overview

As a direct source factory, we specialize in 100% bespoke, ultra-low loss jumper cables tailored for seamless switch-to-switch and switch-to-panel routing. Eliminate cable clutter and ensure maximum airflow with our exact custom lengths and ultra-flexible micro-jackets. Optimize your rack space with Wolontek's precision-engineered MTP/MPO patch cords. Optimal Fiber custom produces large quantity MPO to MPO cables, MPO to LC/SC/ST/FC, all modes, at any length. Please use the configuration tool below or contact us for product information and a quote meeting. Whatever your project, we bend over backwards to provide a total solution for your custom fiber optic, electronic and communication cable needs — ordering, assembly, testing, supply chain management, packaging, distribution and fulfillment. We build products locally, which means shorter lead times. Megladon Manufacturing is your source for MPO / MTP® products needed to support the increasing need for high density fiber distribution. From fiber optic jumper assemblies and ribbon fanout solutions or rackmount 4U fiber distribution equipment, we can provide you with all of the necessary. American Tech Supply stocks thousands of many popular types MPO and MTP patch cords and mpo ju mpers including single-mode, multi-mode, ribbon cable, bare fiberribbon, ruggedized type, or custom applications. MPO Ruggedized Fan-Out Assemblies route multifiber MPO connection into discrete connectors. Used to directly interconnect MPO. Available in Base-8 to Base-24.
