

Malta Optical Cable Manufacturing

AI Overview

Malta has a growing optical cable sector with local suppliers offering a range of fiber optic cables, accessories, and installation services.

Local Manufacturers and Suppliers

3Tech is a Maltese company supplying a variety of indoor and outdoor fiber optic cables, including tight buffer, loose tube, and microcable constructions. Their products support applications such as direct burial, duct installation, aerial (figure-8 and self-supporting), and blown fiber systems. They also provide complementary accessories like joint splice closures, termination boxes, optical distribution frames, patch panels, pigtails, and patch cords, ensuring complete fiber optic solutions for different projects . Conversa is another leading Maltese supplier specializing in network infrastructure solutions, including fiber optic cabling systems. They offer services ranging from consultation and design to installation, termination, testing, and certification. Conversa handles both overhead and underground cable installations and provides all related IT and network accessories, including cabinets, racks, and outdoor IP-rated enclosures . Fibconet provides information on fiber optic cable manufacturing in Malta, highlighting that fiber optic cables consist of thin glass strands transmitting light over long distances, suitable for high-speed data transmission and telecommunications applications .
