

Manufacturer that produces both cables and cable trays

AI Overview

Leading manufacturers of cable trays and cables include Atkore, Snake Tray, Chalfant Manufacturing, Legrand, ABB, and Southwire, among others.

Global and Regional Manufacturers

Atkore International is a major global manufacturer offering a wide range of cable trays, cable management systems, and infrastructure products suitable for construction and industrial projects. Snake Tray specializes in aluminum and steel cable trays, providing durable solutions for industrial and commercial installations. Chalfant Manufacturing offers innovative cable tray systems, including self-connecting and walkable tray lines, with over 70 years of experience in tailored solutions. Legrand (France) produces the Cablofil brand of wire mesh trays, known for easy installation and adaptability across various applications. ABB and Eaton are recognized for their electrical components and cable management solutions, including cable trays and related accessories. Southwire Company and MP Husky Cable Tray & Cable Bus provide comprehensive cable and tray solutions in the United States, serving industrial, commercial, and energy sectors.
