

Mauritius Armored Logging Fiber Optic Cable Installation Manufacturer

AI Overview

Electrum, Photonics Ltd., PKB Mauritius, AVR Consulting, and Structured Corporate Solutions are key providers of fiber optic cable manufacturing and installation services in Mauritius.

Key Manufacturers and Suppliers

Electrum is a leading manufacturer of fiber optic solutions in Mauritius, offering a full range of cables, accessories, and network components. Their products are designed for telecom operators, data centers, enterprises, and infrastructure projects, ensuring high durability and performance for long-distance data transmission. Electrum provides customized fiber solutions, including armored cables, connectors, patch cords, and closures, and has experience deploying large-scale FTTH networks and government infrastructure projects. Photonics Ltd. specializes in last-mile FTTH fiber optic solutions and copper cable assemblies. They manufacture robust outdoor cables, including UV-rated aerial drop cables suitable for harsh environments. Photonics also provides technical advice on fiber procurement, production, design, and installation for domestic ICT companies and the Indian Ocean region, making them a strong choice for armored or industrial-grade fiber installations.

Installation and Network Services
