

Nepal High Voltage Cable Tray Tender

AI Overview

High voltage cable tray tenders in Nepal are primarily listed on NEA, Bolpatra, and specialized tender portals, offering opportunities for supply, installation, and construction projects.

Key Sources for High Voltage Cable Tray Tenders

- **Nepal Electricity Authority (NEA) Tender Portal** NEA regularly publishes tenders for electrical infrastructure, including high voltage cable trays, substations, and transmission lines. You can access current notices, download tender documents, and submit bids through their official portal nea.org.np/tender/notification where projects like 132kV line bays, 220kV substations, and transmission efficiency enhancement are listed .
- **Bolpatra eTender System** The government's e-procurement platform hrdc.bolpatra.org allows suppliers to register, get approved, and submit quotations online. It covers tenders for electrical equipment, construction, and installation services, making it a key platform for high voltage cable tray procurement .
- **Tender Aggregator Portals**
- **TenderNotice.com.np** aggregates daily tender notices from newspapers and government sources, providing instant access to RFPs, EOIs, and quotations. Registered users can download documents and receive email alerts for relevant tenders .
- **Biddetail.com** lists over 15,000 live tenders across Nepal, including electrical and infrastructure projects. It provides detailed tender documents, deadlines, and submission guidelines for both public and private sector opportunities .
- **GlobalTenders.com** offers a searchable database of Nepal tenders, including eligibility criteria, procurement rules, and sector-specific notices
