

# Nordic cable tray company brand

## AI Overview

Nordic Wire Tray (X-Tray) is a leading Nordic brand for high-quality, customizable cable trays.

### Overview of Nordic Wire Tray

Nordic Wire Tray is a prominent Nordic manufacturer specializing in wire trays, cable ladders, and complete cable management systems. Their X-Tray series is designed for flexibility, high load capacity, and easy installation, making it suitable for industrial, commercial, and infrastructure projects. The trays are made from durable materials, including stainless steel, and are available with various surface treatments to withstand harsh environments.

### Key Features

- Customizable Solutions: X-Tray cable trays can be tailored to specific project requirements, including unique dimensions, bends, and load capacities.
- Ease of Installation: The system uses fewer fasteners and parts, with the longest spacing between support brackets in the market, reducing installation time and costs.
- Compliance and Quality: X-Tray products meet IEC 61537 standards and undergo continuous testing to ensure high quality and safety.
- Versatility: Suitable for thin or thick cables, data racks, and hygienic installations, making it adaptable across industries.
