

Norwegian Cable Tray Installation Manufacturer

Overview

The group is owned by the multinational company, Hilti, who are renown for their quality tools and fasteners for construction, energy and industry segments. Oglænd System has factories located in Norway, Malaysia and China. From the very beginning our goal has been to become the leading supplier of multidiscipline support systems, cable trays and cable ladders world-wide. Discover the benefits of each system to make an informed decision tailored to your specific application. We also offer a wide range of accessories in all. Nordic Wire Tray's cable laying system consists of wire trays sold under the X-Tray brand. We help you! We understand that every project has unique requirements. They are Reliable, Adaptable, Low-Maintenance, Low-Cost and Safe choices. Cable tray is less expensive, more. Nexans Norway AS is a leading supplier of power, telecommunications, installation, and heating cables in Norway, and is recognized for its expertise in offshore control cables and high-voltage submarine cable systems.
