

Panama Smart PDU Waterproof Type

Overview

You need to ensure your Smart Power Distribution Unit meets strict international standards for waterproof and dustproof protection. The IP (Ingress Protection) rating system, defined by IEC 60529, measures how well enclosures resist dust and water. NEMA standards also set benchmarks for. Smart PDU I-Type is a compact 1U DC distribution with intelligent plug-in breakers suitable for applications where individual power and energy monitoring is required for each breaker output. Remote power control, real-time energy metering, SNMP/Modbus integration. From basic reliable power distribution to advanced. With up to 21 intelligent programmable breakers with a rating up to 125 amps, the SMART PDU I- type, with its 1U design, is compact, hot swappable, and built to meet safety standards. Grow your network, not your headaches.
