

Peruvian company providing 24-core fiber optic cables for smart buildings

AI Overview

Fiber Solutions and TECNOFIBRA SAC are leading Peruvian companies offering 24-core fiber optic cables and comprehensive connectivity solutions for smart building projects.

Fiber Solutions

Fiber Solutions is a Peruvian company with over 10 years of experience in telecommunications, specializing in the importation and commercialization of fiber optic products . They provide complete solutions for fiber optic projects, which likely include 24-core cables suitable for high-density smart building networks. Their services cater to both commercial and residential projects, ensuring reliable connectivity and scalability.

TECNOFIBRA SAC

TECNOFIBRA SAC focuses on importing and distributing optical communication solutions, including fiber optic cables and connectivity accessories necessary for implementing fiber links . They support smart building infrastructure by providing the required cabling and components for high-speed, secure, and scalable networks.

Additional Considerations

While some international manufacturers, such as Huadong Cable Group, offer 24-co...
