

Price List of Galvanized Cable Trays in Tuvalu

AI Overview

Galvanized cable trays in Tuvalu typically range from \$10 to \$30 per meter, depending on type, coating, and supplier.

Pricing Overview

The cost of galvanized cable trays depends on several factors, including material, type, and surface finish. Hot-dip galvanized steel trays, which are durable and suitable for outdoor or industrial use, generally cost more than pre-galvanized trays, which are cheaper but less corrosion-resistant. Standard ladder-type trays, commonly used for heavy cables, fall within the \$10-\$30 per meter range, while aluminum trays are more expensive, typically \$20-\$50 per meter.

Local Suppliers in Tuvalu

Suppliers such as Brilltech Engineers offer galvanized cable trays in Tuvalu at competitive prices, though exact quotes may vary based on order size and specifications. For bulk orders, prices can often be negotiated lower, and shipping costs may influence the final price due to Tuvalu's remote location.

Additional Cost Considerations

- Fittings and accessories: Elbows, tees, and brackets are sold separately and can add 20-30% to the total project cost
