

Price of carbon fiber tailgate cover

AI Overview

Carbon fiber tailgate covers typically range from \$50 for handle trims to \$800 or more for full replacement tailgates.

Price Overview

- **Tailgate Handle Covers / Trim Pieces:** These are smaller, decorative or protective covers made from carbon fiber or ABS with carbon fiber finish. Prices generally range from \$50 to \$150 depending on brand and vehicle compatibility (e.g., Keptrim on Amazon, SHINEKA on eBay) . They are easy to install with adhesive tape and do not require drilling or modification.
- **Full Carbon Fiber Tailgate Panels:** These are larger panels that overlay the existing metal tailgate, offering weight reduction, corrosion protection, and a sporty look. Prices for these panels typically range from \$300 to \$600, depending on the manufacturer, vehicle model, and whether the panel includes additional features like built-in spoilers .
- **Complete Carbon Fiber Tailgate Replacements:** A full replacement tailgate made entirely of carbon fiber can cost \$700 to \$1,200 or more, especially for high-end trucks or custom-fit options. These provide maximum weight reduction, durability, and aesthetic enhancement .

Factors Affecting Price

- **Material:** Pure carbon fiber is more expensive than ABS plastic with a carbon fiber finish.
- **Vehicle Compatibility:** Tailgates for popular trucks like Ford F-150, Chevrolet Silverado, or GMC Sierra may have higher prices due to demand and precise fit req...
