

Price of surface-mounted electrical control box double door

AI Overview

Surface-mounted double-door electrical control boxes typically range from \$50 to \$500 or more, depending on size, material, and protection rating.

Price Range and Factors

- Basic small enclosures made from stainless steel or high-grade polymers can start around \$50–\$100 for compact units suitable for light-duty applications or indoor use (Alibaba lists some waterproof stainless steel units at roughly \$5 per unit for bulk orders, but retail prices are higher) .
- Medium to large industrial enclosures with carbon steel, aluminum, or fiberglass-reinforced polyester construction, suitable for housing multiple control components, typically range from \$150 to \$500 .
- High-end or custom enclosures with specific NEMA/IP ratings (e.g., NEMA 4X, IP55/IP65), ventilation, cutouts, or specialized finishes can exceed \$500, especially when ordered from suppliers like AutomationDirect or Schneider Electric .

Material and Rating Considerations

- Carbon steel: Durable, impact-resistant, often powder-coated; suitable for indoor and moderate industrial environments.
- Stainless steel (304/316): Corrosion-resistant, ideal for harsh or outdoor environments.
- Aluminum: Lightweight, corrosion-resistant, non-magnetic; good for specialized a...
