

Price quote for 288-core optical distribution box

AI Overview

A 288-core fully-equipped outdoor optical distribution box typically costs around 470 yuan for a carrier-grade SMC floor-mounted model.

Pricing Overview

The carrier-grade 288-core SMC outdoor floor-mounted optical distribution box is priced at approximately 470 yuan for a fully-equipped unit, which includes splice trays, adapters, and support for both FC and SC connectors . This price reflects a high-quality, durable design made from cold-rolled steel, offering corrosion resistance, shock resistance, and suitability for harsh outdoor environments .

Features Affecting Price

- Material: SMC or steel plates; steel models may be slightly more expensive due to higher durability .
- Configuration: Fully-equipped units include splice trays, adapter panels, and plug-in splitters, which increase cost compared to basic models .
- Outdoor Suitability: IP68-rated enclosures or fully weatherproof cabinets may add to the price .
- Capacity: While 288-core is standard for large-scale deployments, higher capacities (e.g., 576-core) are available at higher prices .
