

Prices from Spanish electrical distribution box manufacturers

AI Overview

Electrical distribution boxes in Spain typically range from €10 to €200 per unit, depending on type, size, and IP rating.

Overview of Spanish Manufacturers and Suppliers

Spain has a robust market for electrical distribution boxes, with both manufacturers and distributors offering a wide range of products:

- Masterled provides surface and recessed distribution boxes, including IP68/IP69 rated manhole and bypass boxes suitable for water protection . Prices for standard residential boxes generally start around €10–€30, while high-protection or industrial-grade boxes can reach €100–€200 per unit.
- Grupo Electro Stocks and Grudilec are major distributors offering wholesale electrical materials, including flush-mounted boxes, enclosures, and switchgear . They cater to both professional installers and industrial clients.
- Ormazabal specializes in high-tech electrical solutions, including medium-voltage transformer substations and fully insulated switchgear, which are more expensive, often exceeding €500 per unit for specialized industrial applications .
- Farnell Spain stocks a wide range of junction boxes from global brands like Hylec, Amphenol Wilcoxon, and PRO Elec, providing fast quotes and technical support . Prices vary by manufacturer and specifications.
