

Recommended suppliers of plastic cable trays

AI Overview

Top recommended suppliers of plastic cable trays include Atkore, Snake Tray, Basor Electric, Cablofil, and Trayco, offering a range of standard and custom solutions for industrial and commercial applications.

Leading Suppliers

Atkore – Offers made-to-order plastic cable trays, tray covers, and wire management accessories built to NEMA standards and UL certified, suitable for power distribution, control, and communication systems. Their trays include solid-bottom, ventilated, and channel types, designed for easy installation and continuous airflow to prevent heat buildup . Snake Tray – Specializes in modular, high-capacity, and hand-bendable cable trays, including fiberglass reinforced plastic (FRP) options. Their systems are ideal for access floors, industrial environments, and areas requiring corrosion resistance . Basor Electric – Provides a wide range of cable management solutions, including ladder and wire mesh trays made from PVC, FRP, and other plastics, suitable for telecommunications, marine, and manufacturing facilities . Cablofil – Known for innovative wire mesh and ladder cable trays, offering prefabricated assemblies, fasteners, and holders. Their plastic trays are widely used in data centers, hospitals, and office buildings for efficient cable organization . Trayco – Offers lightweight, easy-to-assemble plastic cable trays with integrated ends, providing up to 50% extra capacity in certain applications. They also provide project-specific advice and customized quotes
