

Saudi Arabia Equipment Distribution Box Manufacturer

AI Overview

Kesher Automation, Perfect Automation & Innovation, and Alrouf are leading manufacturers of equipment distribution boxes in Saudi Arabia.

Key Manufacturers

Kesher Automation Kesher Automation specializes in Industrial Distribution Panels designed for safe and efficient electrical power management in industrial settings. Their panels include robust protection mechanisms such as circuit breakers, fuses, and isolators to prevent overloads and short circuits. They cater to factories, manufacturing plants, water treatment facilities, commercial complexes, and large-scale infrastructure projects. Kesher Automation also offers customized solutions to optimize load management, energy efficiency, and maintenance, ensuring compliance with international safety standards . Perfect Automation & Innovation Based in Riyadh, Perfect Automation & Innovation is a trusted manufacturer and wholesaler of power distribution boxes and control panels. They provide standard and customized panels, emphasizing reliability, precision, and cost-effectiveness. Their products are suitable for industrial and commercial applications, and they offer tailored solutions to meet specific client requirements . Alrouf Electrical Products Located in Dammam, Alrouf manufactures metal junction boxes, EMT pipes, electric metallic tubes, and clips, providing essential components for electrical distribution systems. Their products are widely used in construction and industrial projects across Saudi Arabia
