

Southeast Asian reputable optical distribution box manufacturer

AI Overview

Southeast Asia hosts several reliable optical distribution box manufacturers, particularly in Singapore, Malaysia, Thailand, and Vietnam, offering FTTH and fiber network solutions.

Key Manufacturers and Regions

- Commscope (Singapore & Malaysia) Commscope operates in Southeast Asia with a strong presence in Singapore and Malaysia, providing high-quality fiber optic distribution boxes, splice closures, and network enclosures suitable for FTTH and enterprise networks. Their products meet international standards and are widely used in telecom and data center projects.
- FiberHome Southeast Asia (Thailand & Vietnam) FiberHome has regional offices and manufacturing support in Thailand and Vietnam. They supply optical distribution boxes, splitters, and terminal boxes for FTTx networks, offering robust protection and efficient cable management.
- Sunsea Group (Regional Distributor in Malaysia & Singapore) Sunsea manufactures optical distribution boxes compliant with YD/T988 standards, suitable for indoor and outdoor deployment. Their products support fiber splicing, pigtail storage, and jumper management, and are widely used in FTTH networks .
- Unionfiber (Regional Supply in Singapore & Malaysia) Unionfiber provides indoor and outdoor fiber distribution boxes for communications, data centers, and smart manufacturing industries. Their products are designed for high reliability and durability in diverse environmental conditions
