

Sudanese high-quality electrical distribution box manufacturer

AI Overview

S.E.S Electric Company and the Sudanese Electricity Distribution Company Ltd. (SEDC) are among the leading providers of electrical distribution solutions in Sudan.

S.E.S Electric Company

S.E.S Electric Company is a prominent Sudanese manufacturer specializing in high and low voltage electrical equipment, including transformers, cables, wooden electric poles, and distribution boxes . The company operates factories in Sudan and Turkey, offering turnkey EPC services for overhead transmission lines, substations, distribution lines, and power plants. Their strong engineering and financial structure, along with a skilled workforce, ensures high-quality products and reliable service for both domestic and international markets .

Sudanese Electricity Distribution Company Ltd. (SEDC)

SEDC is a government-established company responsible for electricity distribution across Sudan . While primarily a distribution operator, SEDC adheres to international standards in planning and implementing electrical distribution systems. They maintain a specialized customer service center and an Automatic Control Center, ensuring reliable and safe electricity delivery. SEDC collaborates with manufacturers and suppliers to provide standardized distribution boxes and related equipment throughout Sudan
