

Syria sells electrical distribution boxes manufacturer

AI Overview

Key manufacturers of electrical distribution boxes in Syria include Laalou Industrial Electrical Systems (I.E.S), Hovag, and other specialized local suppliers.

Notable Manufacturers

1. Laalou Industrial Electrical Systems (I.E.S) Laalou I.E.S, part of the BL Group, is a leading Syrian company specializing in industrial electrical systems. They manufacture a wide range of enclosures, including control cabinets, electrical cabinets, highly isolated panels, air distribution panels, desk consoles, and network cabinet panels. The company has a strong distribution network covering Syria, Iraq, and Lebanon, and participates regularly in the Syria Energy Fair to showcase their latest technologies . 2. Hovag Hovag is a major supplier and distributor of electrical products in Syria, offering low-voltage and medium-voltage systems, transformers, busbar trunking systems, and complete power distribution solutions. They assemble and supply Eaton type-tested low-voltage main and secondary distribution systems and provide integrated solutions for industrial and building applications . 3. Machineequipments Machineequipments is recognized as a manufacturer, supplier, and exporter of power distribution equipment in Syria. They provide a one-stop solution for bulk orders of electrical distribution equipment, catering to both industrial and commercial needs .
