

Tonga Anti-corrosion Cable Tray Price

AI Overview

Tonga anti-corrosion cable trays are available from multiple suppliers with prices varying by material, size, and customization, typically requiring direct quotes for accurate pricing.

Supplier Options and Pricing Guidance

Tonga anti-corrosion cable trays are offered by manufacturers and distributors worldwide, including Turkey, China, and Europe. These trays are designed to resist chemical and environmental corrosion, making them suitable for industrial and outdoor installations. Common materials include galvanized steel, stainless steel, aluminum, and fiberglass-reinforced plastic, each affecting the price.

Price Ranges

- Factory-direct or OEM options: Prices depend on specifications, load capacity, and customization. Bulk orders often receive discounts.
- General market estimates: Similar anti-corrosion cable trays from suppliers like Alibaba or Made-in-China start at \$20–\$50 per meter for standard sizes, with higher prices for heavy-duty or specialized coatings.
- Accessories: Clamps, couplers, elbows, and junction boxes are sold separately, typically adding \$5–\$15 per component depending on size and material.

Ordering Tips

- Request a quote: Contact suppliers directly to get Tonga-specific pricing, as costs vary with tray width, height, thickness, and coating type
