

Trough-type cable tray accessory manufacturer

AI Overview

Leading manufacturers of trough-type cable tray accessories include ACE Electric, JLH Electric, and ApexTray, offering high-quality, customizable solutions for industrial and commercial cable management.

Key Manufacturers

ACE Electric (China) ACE Electric specializes in trough-type cable trays and related accessories, providing fully enclosed designs suitable for sensitive systems such as computer, communication, thermocouple, and control cables. They offer customized solutions, including junctions, bus ducts, and support hangers, with high-quality galvanization for corrosion protection, ensuring durability in various environments .

JLH Electric (China) JLH Electric is a leading supplier of cable tray fitting accessories, including elbows, tees, crosses, bends, risers, reducers, tray supports, suspension rods, and covers. Their products are made from galvanized steel, stainless steel, aluminum alloy, or FRP, offering corrosion resistance and structural strength. JLH also provides custom design and fabrication to meet specific project requirements, ensuring seamless integration with existing cable tray systems .

ApexTray (China) ApexTray offers a complete set of cable tray system accessories, including fittings, supports, and covers. They provide tailored drawings, CAD design, and technical support, ensuring proper installation and compliance with industry standards. ApexTray emphasizes precision manufacturing with automated production lines, powder coating, and high-quality metal shaping for long-lasting performance
