

Uganda Explosion-proof Logging Optical Cable Manufacturer

AI Overview

Uganda offers several suppliers and manufacturers capable of providing industrial-grade or explosion-proof optical cables, including Cable Corporation Ltd and specialized distributors like Flygt/Xylem.

Key Suppliers and Manufacturers

- Cable Corporation Ltd
 - Uganda's oldest and largest cable manufacturer, established in 1968.
 - Offers a wide range of industrial and domestic cables, including low-voltage, transmission conductors, and specialized wiring.
 - Capable of producing customized optical and industrial cables suitable for hazardous environments, potentially including explosion-proof variants .
- Flygt / Xylem Uganda
 - Supplies SUBCAB® and other specialized power and signal cables optimized for harsh conditions.
 - Cables feature heat and chemical resistance, and medium voltage options, which are often required for logging and industrial applications .
- Local Optical Fiber Distributors
 - Platforms like Volza list 22 optical fiber cable suppliers in Uganda, with export experience and industrial-grade products.
 - These suppliers can provide high-quality fiber optic cables suitable for long-distance and rugged applications, and may offer explosion-proof or armored options upon re...
