

What are some Southeast Asian electrical distribution box manufacturers

AI Overview

Key manufacturers of electrical distribution boxes in Southeast Asia include GEYA, DOHO, and other regional power distribution companies serving industrial and utility sectors.

Notable Manufacturers

- GEYA – A manufacturer of distribution boxes, miniature circuit breakers, DC surge protectors, and smart electricity meters. GEYA emphasizes safety and quality, with certifications from UL, CSA, TUV, and CE. They provide in-house design, testing, and production, making them a reliable supplier for Southeast Asian markets .
- DOHO Electric – Although based in China, DOHO supplies distribution boxes widely across Southeast Asia. They offer OEM/ODM services, high-quality materials, and international certifications (UL, CSA, TUV, CE). Their products are used in solar energy, wind energy, data centers, communications, and new energy vehicles .
- Regional Power Transmission and Distribution Companies – According to market research, several Southeast Asian companies are leaders in power transmission and distribution, which includes manufacturing and supplying distribution boxes. These companies are active in countries like Thailand, Malaysia, Indonesia, and Vietnam, serving utilities and industrial clients .

Considerations for Selection

- Certifications: Look for UL, CE, TUV, or CSA certifications to ensure compliance with international safety standards....
