Leading Italian Manufacturers

Spina Group is a prominent manufacturer offering stainless steel, galvanised, and wire cable trays in closed, perforated, ladder, and wire-mesh types. Their systems are designed for high strength, corrosion resistance, and long-term performance, with custom sizes and compatibility with Unistrut systems. They also provide protective covers for outdoor and industrial environments, ensuring proper ventilation and shielding from dust, humidity, and mechanical impacts . SATI Italia specializes in modular cable carrier systems suitable for energy, construction, and automation sectors. Their lightweight yet durable trays allow quick assembly and customization for complex projects, meeting international safety and quality standards . SITIE Impianti Industriali focuses on industrial applications, offering perforated, solid-bottom, and custom-designed trays. Their products are engineered for heavy-duty use, easy maintenance, and maximum load capacity, ideal for harsh industrial environments . FEMI-CZ provides high-performance metallic cable trunking and tray systems for large plants and civil installations. They manufacture ladder, mesh, and solid-bottom trays with various structural dimensions and material qualities, including solutions for transport, energy, and oil & gas sectors. FEMI-CZ also offers customized solutions for large-scale projects . Zamet SpA produces versatile trunking and cable tray systems for both civil and industrial applications. With over 40 years of experience, Zamet offers multiple product lines tailored to customer designs, ensuri...
