

# Where can I find cheap custom-made electrical distribution boxes

## AI Overview

J&HW Group emphasizes cost efficiency for custom power distribution boxes through in-house production, making them one of the most affordable options.

### J&HW Group

J&HW Group offers custom power distribution boxes with a focus on cost efficiency by manufacturing essential components like sockets, wires, and casings in-house. This approach reduces reliance on third-party suppliers, eliminates markups, and minimizes transportation fees, which can significantly lower the overall cost of custom boxes. They provide a free design and prototype in just 15 days, ensuring fast turnaround and tailored solutions without unnecessary features, making them ideal for budget-conscious projects .

### E-Abel

E-Abel manufactures custom electronic enclosures with streamlined production processes designed to minimize costs while maintaining quality. They offer customization options for size, shape, hole placements, and NEMA-rated waterproofing. Their efficient systems allow for quick delivery in as little as 2 days, which can save money on project delays. E-Abel emphasizes saving both time and money, making them a competitive option for cost-effective custom enclosures .
