

Where can I find reputable brands of explosion-proof cable trays

AI Overview

You can find reputable explosion-proof cable trays from suppliers like EX Industries, Shilden, Spina Group, ABB, and Apex Tray, all offering certified, durable solutions for hazardous environments.

Recommended Suppliers

EX Industries specializes in high-quality explosion-proof electrical equipment and custom engineering solutions for hazardous environments, ensuring safety and compliance with industry standards. Shilden offers a wide range of cable tray systems made from stainless steel, galvanized steel, aluminum, and fiberglass-reinforced plastic (FRP/GRP), suitable for industrial, offshore, and chemical plant applications. Their trays are corrosion- and fire-resistant, with options for ladder, perforated, wire mesh, solid bottom, and channel trays. Spina Group provides Made-in-Italy cable trays and accessories under brands like Schiavetti Tekno and Eurocavi, with UL certification and compliance with NEMA, ATEX, IECEx, and NEC standards. They specialize in explosion-risk environments and offer tailored solutions for industrial applications. ABB manufactures cable tray systems including perforated trays, cable ladders, and channel trays, with medium to ultra-heavy-duty options. ABB emphasizes reliability, adaptability, and ease of maintenance, making their trays suitable for high-risk and industrial installations. Apex Tray focuses on explosion-proof cable trays for chemical plants, offering materials like aluminum alloy, stainless steel (316L), galvanized steel with epoxy coating, and FRP for Zone 2 areas. They provide guidance on material selection based on chemical exposure, static resistan...
