

Which manufacturers produce and brand electrical distribution boxes

AI Overview

Top manufacturers of electrical distribution boxes include Schneider Electric, ABB, Eaton, Legrand, Siemens, Rockwell Automation, Hammond Manufacturing, and Rittal, among others.

Leading Global Manufacturers

- Schneider Electric – Offers smart, modular, and energy-efficient distribution boxes suitable for industrial, commercial, and residential applications, with certifications like UL, CE, and ISO .
- ABB – Known for globally certified enclosures and advanced safety features, including surge protection and overcurrent protection .
- Eaton – Provides durable and reliable distribution panels for various voltage and load requirements .
- Legrand – Offers stylish, modular systems with digital monitoring and energy-saving features .
- Siemens – Supplies high-quality distribution boxes with industrial-grade safety and performance standards .
- Rockwell Automation – Focuses on digital integration and robust industrial solutions .
- Hammond Manufacturing – Specializes in industrial and commercial enclosures, including outdoor and hazardous area solutions .
- Rittal – Produces enclosures for power distribution, IT infrastructure, and industrial automation, with protection against dust, moisture, and temperature variations
